Celebrate the healing power of the *Arts*

An art-filled, artful, colorful evening celebrating the healing power of the arts – with high-value silent and live auctions, dinner, a kaleidoscope of entertainment and more! The Kaleidoscope of the Arts Gala will raise funds that directly support the mission of Storytellers Creative Arts to:

Heal and transform lives through the arts

Storytellers Creative Arts (SCA), founded in 2002, is a faith-based non-profit organization serving Southwest Florida and beyond with a singular focus: Healing and transforming lives through the arts. It does so by creating healing and nurturing arts outreach groups for local artists, who then reach out through its arts programs and partnerships with local community organizations to teach, mentor and heal their served communities.

As artists seeking to impact the world, we are passionately committed to our vision of “transformed lives through the arts”, which drives the passion of inspiring and equipping artists to heal broken lives and elevate culture. SCA has touched the lives of over 4,000 since 2018, reaching the disadvantaged, at-risk, disabled and addicted.

Storytellers Creative Arts is blessed to partner with some great organizations that are making a difference in Southwest Florida. Some of these are: David Lawrence Center Adult, Youth and Children’s Recovery and Mental Health programs, New Horizons After-School, PACE Center for Girls, Saluscare Transitional Living Adult Recovery, Amigos Family Center, Shine and others including serving in other states like Virginia and Georgia.

In addition to these partnerships, Storytellers’ other programs include: Arts For Recovery, an adult transitional arts outreach for adults in recovery; Get Creative Day outreach to impoverished communities and other outreach efforts.
